Selective majors ucdavis.edu/selective-requirements

Applicants to selective majors must meet additional preparatory course and GPA requirements. Courses must be taken for a letter grade with no grade less than C or satisfied by either Advanced Placement (AP) or International Baccalaureate (IB) Higher Level examination score equivalencies. All course requirements must be completed by the end of spring term before fall enrollment.

Students are expected to take courses comparable to the UC Davis course requirements as long as they are offered at the California Community College (CCC) they currently attend. When the ASSIST website at assist.org indicates “no comparable course” or “no course articulated,” the selective major course requirement will be waived for UC Davis admission and TAG but must be completed after enrolling at UC Davis.
